Benefits & Rates

CDISC offers two levels of membership:

- **Gold**
- **Platinum**

Please consider [joining CDISC](http://www.cdisc.org) and reap the many benefits of membership as well as help us facilitate the global adoption of CDISC standards.

Membership contributions are essential in developing worldwide data standards and other CDISC innovations to facilitate medical research.

### Gold Level Benefits

1. 20% discount off of CDISC education courses (public, private, online) and events.
2. Monthly Members Only Mini-Training webinars that address industry hot topics.
3. Unlimited access to the CDISC Members Only Area to leverage a variety of resources and tools.
4. Opportunity for your organization to become a CDISC Registered Solution Provider; RSPs serve as subject matter resources to organizations who want to implement CDISC standards.
5. Opportunity for your staff to become authorized instructors through the CDISC Licensed Training Program so that they can train fellow staff on CDISC standards.
6. Opportunity for your database tools to be Operational Data Model (ODM) certified to improve the quality of metadata and data interchange throughout the clinical development process.
Platinum Level Benefits

1. Platinum members receive all the benefits of Gold Level membership PLUS the following:

2. Access to Shared Health And Research Electronic Library (SHARE) content. SHARE is an online global repository for developing, integrating and accessing CDISC metadata standards to improve data flow, quality, speed, efficiency and capabilities in clinical trials.

3. Additional 20% discounts (40% total) off of CDISC courses (public, private, online) and events.

4. Representation on the CDISC Advisory Council (CAC) with opportunities to actively engage in CDISC by:
   - Serving on Board Committees (Strategy, Technical, Financial)
   - Voting a Board Member onto the CDISC Board of Directors
   - Participating in Town Hall meetings with regulators and CDISC Board Members

5. Networking opportunities and face-to-face meetings with peers, clients and visionaries.

6. Overview course, "CDISC Global Approach to Accelerating Medical Research", given at a member site, upon request, at no charge.
