ADaM Standard Release

CDISC SHARE

Dear Amanda,

Welcome to our first newsletter of 2010!

During December there was a great deal of activity at CDISC, including the release of the new ADaM standard and Implementation Guide, Version 8.0 of the CDISC Glossary being posted and the SHARE Pilot Report. You can read all this and more below!

If you have any comments or would like to contribute an article to the CDISC Newsletter, please contact [AJ de Montjoie](#).

Release of ADaM 2.1 and ADaMIG 1.0

CDISC is pleased to announce the posting of the Analysis Data Model Version 2.1 and the Analysis Data Model Implementation Guide Version 1.0. [Access the standard here.](#)

CDISC SHARE - Pilot Report

This document summarizes the observations and findings of the CDISC Share Wiki pilot project and is organized into four sections: Method, Results, Answers to Primary Questions, Other Lessons Learned and Conclusions. You can read the [full report on the SHARE webpage](#).

Standards from the Start - CDISC 2010

As always, CDISC begins the year with a flurry of activity (do keep an eye on the website for regular updates and news on the standards). In addition to the CDISC standards themselves, the CDISC Board and Operations Staff also spent the last quarter of the year reviewing the CDISC Strategy. You can read our [full report here](#).

Day 2 Features a variety of CDISC Presentations

This is the eighth version of the CDISC Glossary to be produced by the Glossary Project of CDISC. It seeks to harmonize definitions (including acronyms, abbreviations, and initials) used in the various standards initiatives undertaken by CDISC in clinical research. It is available on the [CDISC website](#).

Terminology Update & Public Review

New information has now been posted on the [Terminology page](#) of the CDISC website and you are invited to take part in the review process. The public review will close on 26 February 2010.

Update from the CDISC AdvaMed Devices Team

The CDISC-AdvaMed Device Team has covered a lot of ground since the last CDISC newsletter update. You can read about their [activities here](#).

News from the User Networks

The **English Speaking User Group** have provided an excellent summary of their meeting at Brunel University. You can [read the summary here](#) and the presentations posted on the CDISC Portals.
