CDISC Health & Safety Statement

CDISC stands committed to the health and safety of all attendees, exhibitors, staff and especially those in vulnerable positions.

With this in mind, and following the latest CDC guidelines and research relating to COVID-19, those attending the in-person 2022 CDISC US Interchange in Austin, Texas must be fully vaccinated against COVID-19. **Proof of vaccination will be required for all attendees, and must be submitted prior to the event.**

An inherent risk of exposure to COVID-19 exists in any public place where people are present. By attending our conference, you agree to our vaccination policy and you voluntarily assume all risks related to exposure to COVID-19:

- **Provide proof** that you have been fully vaccinated against COVID-19 via email to events@cdisc.org. All vaccination information will remain private, and will be disposed of after the event.
- Attendees are encouraged to take a COVID test within 24 hours prior to arriving at the event
- Attendees are encouraged to practice social distancing and the wearing of masks at the event
- Follow all safety protocols set by event staff
- Not attend if you feel sick or if you have tested positive for COVID-19

We are actively following recommendations from the CDC so policies are subject to change. For local COVID-19 data, check the CDC website for the current recommendation for the county that Austin, TX is located in by using the following link and entering "Texas" and "Travis County" in the appropriate fields: [COVID-19 County Check](https://www.cdc.gov/coronavirus/2019-ncov/index.html).
