Air & Space Museum Experiences Description

Drone Flight Stations

- Guests train on simulators before flying tethered drones in a safe, guided environment. High-throughput activity ideal for large groups, driving consistent engagement.

MaxFlight Simulators

- Guests take the controls in immersive flight simulations with 360° motion and real-time control. Each 5-minute ride delivers a thrilling, choose-your-own-adventure experience—guided by trained staff.

Indoor Blimp

- A roaming indoor blimp customized with your logo, creating a dynamic visual centerpiece. Option to drop branded giveaways for added audience interaction.

RC Plane Flight Experience

- Attendees learn to pilot a radio-controlled plane using a guided “buddy box” system, making it easy (and fun) for beginners to take flight with expert support.

PEAK Beverage

À-La-Carte Items Description

Interactive Margarita Bar

- This separate station invites guests to mix their perfect margarita from a variety of high-quality tequilas, fresh juices, and unique salts.

Interactive Spritz Bar

- This separate station offers a curated selection of premium spirits, mixers, and garnishes, allowing guests to unleash their creativity and enjoy a refreshing experience.

Ripple Cocktail Printer

- Make your cocktails a conversation starter with our Ripple Cocktail Printer. This innovative technology prints your logo directly onto the foam of your drinks, providing a personalized touch that delights guests.
 - Includes your choice of a cocktail from the list of Signature and Seasonal Cocktails

Signature Cocktail

- Select a cocktail from the list of Signature and Seasonal Cocktails and make it yours! Your company name will be on the bar menu display
