INTRODUCTION

The 2019 CDISC Interchanges will be held in Amsterdam, Tokyo, Beijing & San Diego! Each year, CDISC hosts conferences in four exciting locations around the world in order to best serve our growing community.

SPONSORSHIPS

CDISC sponsorships are unique, in that our partners can choose to bundle up to three events per year, achieving Global status, seeing significant added value and savings with each added event. Each sponsorship package and a-la-carte option allows you to showcase your products and services right where attendees network. Click the package to the right for more details.

HOW TO RESERVE YOUR SPONSORSHIP

Sponsorships are limited and available on a first-come, first-served basis. To request your sponsorship, please click the “Apply Here” link, located at the bottom of each page, which will then guide you to our online Sponsorship Form. For additional questions, email us at events@cdisc.org.

BOOTH SELECTION

Booth selection begins two months prior to the start of each conference. At that time, sponsors will have the first opportunity to select a booth, based upon their sponsorship level. All other exhibitors can then begin to select their booth spaces in the order signed agreements have been received.

See page 10 for options.
