Prior Crohn's Disease Medication Class- Immunomodulators

What is the category for the medication?		CMCAT CMCAT										
For what indication was the medication taken?		CMINDC CMINDC										
What is the subcategory for the medication?		CMSCAT CMSCAT										
What was the medication identifier?		CMSPID CMSPID; FASPID; MHLNKID										
What was the name of the immunomodulator drug taken for Crohn's disease?	CMTRT CMTRT											
What was the start date of this immunomodulator? (DD-MMM-YYYY)	<table border="1" style="width: 100%;"><tr><td style="width: 30px; height: 20px;"></td><td style="width: 30px; height: 20px;"></td></tr></table>											CMSTDAT CMSTDTTC
What was the end date of this immunomodulator? (DD-MMM-YYYY)	<table border="1" style="width: 100%;"><tr><td style="width: 30px; height: 20px;"></td><td style="width: 30px; height: 20px;"></td></tr></table>											CMENDAT CMENDTTC
How many months did the subject take this immunomodulator?	CMDUR CMDUR											
What was the maximum dose amount of this immunomodulator?	MXDOSAMT_FAORRES FAORRES where FATEST = "Maximum Dose Amount"											
What was the unit of the maximum dose amount of this immunomodulator?	MXDOSAMT_FAORRESU FAORRESU where FATEST = "Maximum Dose Amount"											
What was the frequency of the maximum dose amount of this immunomodulator?	MXDOSFRQ_FAORRES FAORRES where FATEST = "Frequency of Maximum Dose Amount"

Prior Crohn's Disease Medication Class- Immunomodulators

What was the final dose amount of this immunomodulator?	<p>FNDOSAMT_FAORRES FAORRES where FATEST = "Final Dose Amount"</p>
What was the final dose amount unit of this immunomodulator?	<p>FNDOSAMT_FAORRESU FAORRESU where FATEST = "Final Dose Amount"</p>
What was the frequency of the final dose amount of this immunomodulator?	<p>FNDOFRQ_FAORRES FAORRES where FATEST = "Frequency of Final Dose Amount"</p>
What was the route of administration of this immunomodulator?	<p>CMROUTE CMROUTE</p>
What was the primary reason for discontinuation of this immunomodulator?	<p> <input type="radio"/> Non-response CMRSDISC <input type="radio"/> Intolerance CMRSDISC <input type="radio"/> Loss of insurance <input type="radio"/> Cost <input type="radio"/> Treatment no longer indicated <input type="radio"/> Other <input type="radio"/> Unknown </p>
If "Non-response", was the subject receiving a treatment regimen for this immunomodulator which, according to protocol-defined criteria, was expected to be efficacious?	<p> <input type="radio"/> No EXETRIND_FAORRES <input type="radio"/> Yes FAORRES where FATESTCD = "EXETRIND" AND FAOBJ = CMTRT </p>
