History of Crohn's Disease

Was the medical history event prespecified?		MHPRESP MHPRESP
What was the category of the medical history?		MHCAT MHCAT
At what age did the subject's Crohn's symptoms start?	<input type="text"/>	AGESYMST_FAORRES FAORRES where FATESTCD = "AGESYMST" and FAOBJ = "CROHN'S DISEASE"
Has the subject ever had Crohn's ileitis?	<input type="radio"/> No <input type="radio"/> Yes	ILEAL_MHOCCUR MHOCCUR where MHTERM = "Crohn's ileitis"
Has the subject ever had Crohn's colitis?	<input type="radio"/> No <input type="radio"/> Yes	COLONIC_MHOCCUR MHOCCUR where MHTERM = "Crohn's colitis"
Has the subject ever had Crohn's ileocolitis?	<input type="radio"/> No <input type="radio"/> Yes	ILEOCOLONIC_MHOCCUR MHOCCUR where MHTERM = "Crohn's ileocolitis"
Has the subject ever had upper gastrointestinal Crohn's disease?	<input type="radio"/> No <input type="radio"/> Yes	ISOLATED_MHOCCUR MHOCCUR where MHTERM = "Upper gastrointestinal Crohn's disease"
Has the subject ever had any strictures?	<input type="radio"/> No <input type="radio"/> Yes	STRICTURE_MHOCCUR MHOCCUR where MHTERM = "Intestinal stricture"
If Yes, what is the estimated number of strictures?	<input type="text"/>	STRCTNUM_FAORRES FAORRES where FATESTCD = "STRCTNUM" and FAOBJ = "Intestinal stenosis"
If Yes, what are the anatomical location(s) of the strictures? <i>Check all that apply.</i>	<input type="checkbox"/> Ileum <input type="checkbox"/> Colon <input type="checkbox"/> Upper GI tract	STRICTURE(n)_MHLOC MHLOC where MHTERM = "Intestinal stricture"
Has the subject ever had any abscesses?	<input type="radio"/> No <input type="radio"/> Yes	ABSCCESS_MHOCCUR MHOCCUR where MHTERM = "Abscess intestinal"
If Yes, what is the estimated number of abscesses?	<input type="text"/>	ABSCNUM_FAORRES FAORRES where FATESTCD = "ABSCNUM" and FAOBJ = "Abscess intestinal"
