

Webinar: CDISC Public Webinar – CT Quarterly Updates

Date: 15 SEP 2016 Time: 10:00-11:30 AM CT

Presenters: Bernice Yost, Director of Terminology, CDISC

1. *Since Morphology is being retired, where would you move Spleen/Liver Volume?*

The liver is part of the gastrointestinal system and we have a gastrointestinal test code/test name codelist.

The spleen is part of the immune system. If you need a test for spleen volume, please submit a request.
